GLI'S REWARDS ARE AS EASY AS...

PROGRAM DETAILS:

- **DEADLINE:** Strive for 5 is a rolling program. Points received from 2024 that were not applied towards the redemption of a Strive for 5 gift card, will be rolled over into the 2025 year.
- **REQUIREMENTS:** A dealer must sell five (5) custom inground liners and/or safety covers to earn a \$125 MASTERCARD® Gift Card. There's no limit to the amount of cards a dealer can earn.
- **PRODUCTS:** Eligible products include GLI Inground Custom Liners², all Custom Safety Covers, Stock ProMesh®, and Stock HyPerLite® Safety Covers¹.
- **SIGN UP:** All dealers are AUTOMATICALLY enrolled in the program. No additional sign up or paper work is needed!
- **REIMBURSEMENT:** When a dealer reaches five (5) custom inground liners or safety covers combined, they will be notified by a GLI Pool Products Marketing Representative. GLI will then send the \$125 MASTERCARD® Gift Card to the principal of the company.

To ensure efficient and accurate turn around on your reimbursement, please include your Strive for 5 ID # with all orders. To obtain your specific ID # please contact us via email at strivefor5@glipoolproducts.com.
- **ELIGIBILITY:** Dealers, builders and service companies buying through GLI full-line distribution are eligible for Strive for 5.

¹Stock Secur-A-Pool® Mesh Covers are not eligible for the program. In some cases, we will not be able to track stock covers. If you have sales that have not been recorded, we will accept a corresponding distributor invoice or printout as proof of purchase.

²Premier Value Series liners do not count towards Strive for Five points.
